Notes:

1. The Marina is not accepting sailboats in our seasonal slips at this time. We are accepting sailboat applications for our moorings.
2. The Marina is not accepting wooden boats for either slips or moorings.
3. Slip, Mooring, and Dinghy Dock Applications must be picked up in person at the marina office and completed fully prior to consideration.
4. The Marina requires that all owners be proficient in boat handling, and particularly docking procedures in all wind and sea conditions. An owners inability to maintain control of their boat while docking will result in the loss of their Marina privileges.
